On 22nd May 2018, Mr Harris-Cotton {the caretaker of St Peters C of E Primary School Budleigh} came across a group of peculiar symbols on the teachers staff room wall, which appear to be alien markings.

Miss Ralph proclaimed " although we don't understand this language scientists are trying to uncover what it says." Expert Miss Ralph believes that in approximately 7 days scientists will be able to read 2 words from the wall.

2:00am was the time the symbols appeared Why? No one knows Who? Aliens seem to be the ones who did it. Miss Ralph thinks that all these symbols are trying to give us a warning.

Reporter Ruby Fogwill {student from St Peters C of E Primary school Budleigh} says " i think it's unusual And out of this world." Expert predict that this will happen again but on the other side of the world .
