

Get Plastic Aware with St Peter's

We would like to invite you to join us in our journey to become more environmentally friendly. This term, our focus is on minimising single-use plastic in our school and using all plastics more sensibly. Please come along to our after school event in the school hall from **3.30-4.30 pm on Friday 2nd November**.

There will be a variety of information and activities so that you can find out what we are doing at St Peter's and get help and inspiration to make changes at home too. There will also be information about how you can get involved in Budleigh beach cleans.

We will have lots of ideas for packing a single use plastic free lunch ready for our switch to plastic free packed lunches in the new year.

There will be a raffle and quiz with lots of lovely eco prizes to be won as well as eco products to buy.

Refreshments will be available including the recipes for making them at home for your lunch box.

Please come and join us and support us in working to look after our planet.

We would also to invite you to **sign up** to join your child for one of our waste education officer led **workshops on Wednesday 31st October and Fri 2nd November**.

Waste Education Workshops

Plastic Pirates

Willow 1.15- 2.15 Wednesday 31st October

Rowan 2.25 - 3.25 Wednesday 31st October

Cherry 9.15 -10.45 Friday 2nd November

This story workshop is delivered outside in the school grounds. Using props and natural resource, children adventure with the 'Captain' over the ocean discovering the impacts of plastics and marine litter on the way. Can they take action to save our seas?!

Marine Litter

Chestnut 9.15 -10.45 Friday 2nd November

Beech 11.00-12.10 Friday 2nd November

Oak 11.00-12.10 Friday 2nd November

Ash 1.45- 2.45 Friday 2nd November

This workshop is all about wonderful plastic, its many properties and how once it enters the marine environment it is a huge problem. Topics covered include the Great Pacific Garbage patch, micro plastics and single use plastics. Children make posters of facts they have learnt and make natural hand scrubs.

We hope you can join us. Please sign up for these events at the school office. Spaces are limited so sign up quickly.
