Prospect Magazine and the Festival announce a new partnership

PLUS Special Opening Offer!

We are delighted to announce that we are working in national media partnership with the highly-respected *Prospect* magazine this year.

Prospect magazine has established itself as the must-read title for those with a keen interest in history, politics, economics, philosophy, literature, the arts and science. It showcases the best culture, arts and current affairs writers and, during the Festival, the magazine's arts and books editor, Sameer Rahim, will be chairing two events for us.

SPECIAL OFFER

To celebrate this new partnership, Prospect is offering a three month trial for just £1.
You'll even get a free Prospect mug!
