

Dear Parents and Carers,

This term your child will be taking part in Forest School sessions on site at St Peter's Primary School. These sessions will be led by me, Miss Spence with the support of the children's class teachers and will take place on the days outlined below.

You'll notice that Cherry Class and Sycamore Class will be mixed so please **take note of the alternating weeks** that your child will take part in forest school.

Can you please ensure your child comes to school that day with some suitable footwear to put on - wellies or walking boots preferable at this time of year, no Crocs or sandals please! Also a warm coat, on wet days waterproof trousers if you have them are ideal and wish your child to wear them. Please ensure you name any clothing you send in as quite often children have matching items. Do contact me if you need any help with clothing or footwear.

Forest School embraces the outdoors as a classroom and will allow the development of physical, emotional and social skills for the children. We are lucky to have the space at St Peter's to create an area on site for the children to access and hope these sessions will enrich their learning experiences. The site will develop over time as the children will all be having an input and contributing to their outdoor learning space. I intend to take the children out in most weathers so please ensure you dress them appropriately so they are able to enjoy these sessions.

I am greatly looking forward to starting this journey with all the children at St Peters,
Kind Regards
Miss Spence
